

Sri Lakshmi Super Specialty Hospital

NEPHRO-UROLOGY, DIALYSIS, LAPROSCOPIC,
HITECH LASER, CARDIAC AND NEURO TRAUMA CENTER

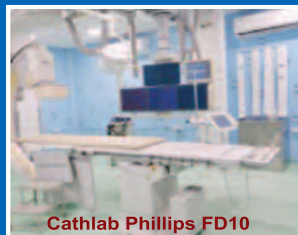

Sri Lakshmi Super Specialty Hospital established in 2006 is a healthcare service provider from more than a decade in Bangalore.

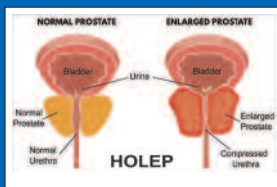

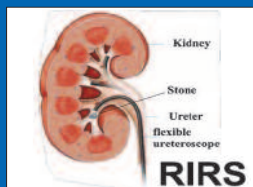

Our Hospitals, in Bangalore, are two 50 bedded Hospitals providing healthcare services in localities at Kaggadasapura & Krishnarajapuram.

Progressing with the vision of Dr. Sambashiva A.C. (Medical Director), we have introduced cardiac and neuro trauma care at K.R. Puram facility, effectively providing Medical Services with an aim to make Super Specialty affordable and to the reach of general population.

We have specialised Clinicians in Cardiac, Neuro, Nephrology, Urology, Orthopaedics and other allopathic health care specialities.

Our facilities serve with a comprehensive medical treatment model and standing upto the standards of care, both our facilities are NABH accredited & ISO Certified.
